About Your Spelling Words

In English, nearly every time the letter *q* appears in the spelling of a word, it is followed by the letter *u*.

When the letters *qu* appear together, the *u* usually makes the /w/ sound. Together, the letters *qu* make the /kw/ sound.

Sometimes the letter *u* is silent. When this happens, the letters *qu* make the /k/ sound.

Can you find two new words and one challenge word that do not have the /kw/ sound?
