<h1>WAIVER of Liability</h1>

March 14, 2019

Dear Parent or Guardian,

SeaChange Marine Conservation Society will be working with your child's class on a field trip in the spring of 2019. The field trip will include outdoor activities related to the curriculum. Those activities are engaging and provide experience that helps internalize knowledge. We are in our 21st year of safe operations in waterfront and outdoor settings with school groups of all ages. We would like you to know that this field trip will include activities in dinghies and on a dock in Tod Inlet. Everyone will be wearing life jackets on and near the water. A lifeguard will also be working on the water to ensure safety.

Please acknowledge that you are aware of the inherent risks of such outdoor activity by signing this waiver. And, if there is some issue that we need to be aware of regarding your child in such a situation (for example, insect allergies), please be sure that the school staff attending the field trip are aware of the issue.

By my signature below, I recognize and acknowledge that SeaChange Marine Conservation Society or any of its partner organizations do not carry any special health and/or hospital insurance. I further recognize that there are inherent risks in participating in outdoor educational activities that I voluntarily assume on behalf of my son, daughter or child for whom I am guardian. I hereby release SeaChange Marine Conservation Society, Saanich Inlet Protection Society and BC Parks, their governing Boards, partners, sponsors, officers, staff and volunteers from all obligations, liabilities, claims, demands, cost and expenses including lawyer's fees arising out of or in any way connected to any bodily injury sustained by the participant whether the injury results from negligence or from another cause.
